Morning supervision

Recently more and more children have been arriving at school early and are not going into breakfast club. If they are going to breakfast club, children should arrive at 8.25am at the latest.

Other children should not arrive unsupervised until 8.40am. This is when staff are available on the playground.

Staff arrive to school early each morning but this is to prepare for the busy day ahead. A member of staff will be on duty from 8.40am on each playground. Please help us by reminding your children of this, to help to keep them safe.
