Snow!

We are sending out the newsletter a day early just in case we are forced to close tomorrow due to snow (the forecast at the time of writing is very poor, although changing all the time). You will receive a text as soon as a decision is made. Please note that texts only go to the phone you have requested as "contact 1" on the school data system. Thank-you for your patience

Mother's Day Tea

You should have received a flyer about the Mother's Day Tea we are hosting next Friday. Tickets are limited and no more than 2 per family will be given.

To increase capacity, the event will be held in the dining hall and large hall and families will be told which hall to go to. Children will then come to meet their family in the appropriate hall.

SAVE THE DATE!

This year's whole school trip has been booked!

We will be going to **Twycross Zoo on Wednesday 20th June.**

More details will be sent home soon, however, just as in previous years, all pupils from Reception to Year 6 will be invited on the trip but there will also be the opportunity for you to travel as a family and spend the day together. Nursery children will be able to attend with parents.
