Easter Buffet

On Thursday we will be serving ALL children an Easter buffet lunch. We did this last year and it was very successful. The lunch has been paid for by the school. Children will be served with a selection of sandwiches, savoury snacks and pudding. All food will be suitable for vegetarians.

If you do not wish your child to join in, then you may collect him/ her to go home for lunch, however, we hope that everyone will want to share this happy season and to celebrate the end of a very successful term.

Easter Bonnets and Eggs

A reminder that any entries for the Easter Bonnet and Decorating Eggs competition need to be in school by Wednesday 28th March. This is to enable judging to take place before the Easter Assemblies on Thursday morning. Please remember to clearly label the entry with your child's name and class.

Easter Assembly

Please fill in for free tickets (*spaces limited—only two per family, per assembly*)

Child's name:

.....

Class:

.....

Silver

Weronika 2ZH

Gold

Piotr 1JH

Ivan 1JH

The sponsored hill walk has been rescheduled for Tuesday, June 5th. Fingers crossed for perfect weather!

Please help us to improve the school

We have had a request from a Reception parent we would like to address. We know that space outside the Reception classrooms is limited, however this is being reduced further by the number of pushchairs by the classroom doors. If you know you want to speak to the class teacher, please could you either put your pushchair to one side, or wait until the majority of children have been able to leave, before standing in the doorway to talk. This should make it easier for all at home time. Thank-you

We have received further complaints, this week, from a neighbour and from school parents about bad parking outside school both before and after the school day. **YOU MUST NOT PARK ON THE ZIG ZAG LINES OR ON THE CORNER OF A JUNCTION.** It is not only illegal, but highly dangerous. School leaders can only request for you to follow the highway code and police resources do not stretch to policing roads outside schools on a regular basis. We rely on our parents being thoughtful and safe. Please take a second, before you park, to consider how you would feel if you were responsible for the injury, or worse, of a child.
