SATs meetings

Assessment time is nearly here again for Year 2 and 6. If you have children in these year groups, we will be holding information meetings on the following dates:

Year 2 Wednesday 14th March 2.15pm

Year 6 Monday 19th March 2.15pm (a change from the previously advertised date)

At the meeting, we will explain what the tests/ assessments are and why they have to be done.

If you are unable to attend, due to work commitments, we will also be sending home leaflets and publishing information online.

Please could you complete the form below if you would like to attend so that we have an indication of numbers. Many thanks

Wildlife Project

We are getting very excited about the prospect of developing part of our school grounds to encourage wildlife and we would love you to join us!

If you are able to give up some of your free time then please come to an informal meeting at school on Friday 16th March at 1.30pm.

Come as your favourite character

We were sorry to miss dressing up for World Book Day last week because of the snow, but are now looking forward to doing it next Friday instead. Any child who would like to dress up is welcome to do so (please make sure they can move around fairly comfortably and have sensible shoes). There is no charge or prize—just the fun of doing it and the chance to celebrate books and reading. If children do not want to dress up, that is OK and they should wear their school uniform but must come to school

Due to other events, we will NOT be holding an inspire workshop on Friday. However more workshops will be held in the summer term.

We will take lots of photos and post them on the school website—we are sure there will be lots of fantastic, imaginative costumes. Lots of teachers are dressing up too!

Monday 12th March: Rock climbing 2KB
