

Newsletter week beginning 23rd March

Red Nose Day: Thank-you

Thank-you for all the effort families went to, to support this charity. There were some brilliant hair style designs and it was fun seeing so much 'red' around for the day. There was a real buzz around school as children went on the 'hunt the red nose' activity. Thank-you to the School Council and Miss Hoare for organising it.

We will leave the donation option open on Arbor until Friday if you would like to make a donation. Thank-you so much for your generosity, if you already have.

Easter Holiday

School breaks up for the Easter holiday on Friday 27th March. We return on Monday 13th April.

At the end of this week, the office will organise the free school meal vouchers for families who are eligible. If you think you are eligible and either haven't received them in the past or have changed your email address, please let the office know before Wednesday.

If you are looking for activities to do during the holiday, here are some links you could follow:

Relationship, Health and Sex Education Policy

RHSE policy is a statutory document all schools must have in place. It is reviewed annually but due to changes in Government expectation now needs to go out to parent consultation before final changes can be made.

Thank-you if you have already completed our survey. There are a few more days for you to do so. The survey will close at midnight Friday 27th March.
